By **giving your remaining apprenticeship tax** to IFP School, you are contributing to educational innovation and the development of the School.

This year, the terms of payment and the associated calendar have changed.

First, you must declare and pay your balance to the **URSSAF**.

Then, you'll need to allocate your remaining apprenticeship tax to IFP School on the **SOLTéA platform from May 25 to September 7, 2023**.

The amounts collected will then be transferred to the *Caisse des Dépôts et Consignations* (CDC), which manages them.

We explain everything in this video (in French only):

To support IFP School and/or for further information, please view our [brochure](#) (in French only) and/or contact [Sandrine Godrie](#).
