10 - 13 June 2024

From June 10 to 13, 2024, Oslo, Norway will be the scene of a major gathering of researchers and professionals in the fields of energy, geoscience and engineering: the EAGE Annual 2024. This year's event will be held under the theme "Technology and talent for a secure and sustainable energy future".

IFPEN, through its Carnot IFPEN RE, will be present alongside Beicip-Franlab to participate in this crucial dialogue between European leaders and contribute to meeting the challenges of the energy transition.

For its 85th edition, EAGE Annual 2024 invites geoscientists, engineers and major players in these fields to present the latest advances in geoscience, on a European and global scale. This event will promote exchanges, the sharing of ideas and arguments, as well as the building of networks essential to meet future challenges.

Many discussions will focus on themes such as decarbonization, geothermal energy, CCUS, hydrogen and digital, areas in which IFPEN has developed innovative solutions as part of its mission for a decarbonized and sustainable world. Visitors will be able to discover these solutions by meeting

IFPEN teams at the IFPEN/Beicip stand (**number 6575**).

A promotional graphic for EAGE Annual 2024. The background is dark blue with white and light blue streaks resembling star trails or data lines. At the top center is the EAGE Annual 2024 logo, which includes a red circle with '2024', the text 'EAGE ANNUAL' in large white letters, and '85TH CONFERENCE & EXHIBITION' and 'OSLO | NORWAY' in smaller text below. Below the logo, the text 'Join us @ EAGE ANNUAL 2024' is written in large white letters. Underneath this, a light blue rectangular box contains the text: 'We look forward to meeting you at EAGE ANNUAL 2024!', 'Our team will be pleased to welcome you on the booth, and share with you the latest news on our solutions and technologies.', and 'See you there!'. Below the box, the dates '10-13 June 2024 | Oslo, Norway' are displayed in white. At the bottom left is the BeicipFranlab logo, featuring the name in white and a green leaf icon. At the bottom right is the IFP logo, with 'ifp' in white and 'Energies nouvelles' in a smaller font. In the bottom left corner, there is a small icon of a location pin and the text 'Booth #6575'.
