10 - 13 June 2024

**From June 10 to 13, 2024, Oslo, Norway will be the scene of a major gathering of researchers and professionals in the fields of energy, geoscience and engineering: the EAGE Annual 2024. This year's event will be held under the theme "Technology and talent for a secure and sustainable energy future".**

IFPEN, through its Carnot IFPEN RE, will be present alongside Beicip-Franlab to participate in this crucial dialogue between European leaders and contribute to meeting the challenges of the energy transition.

**For its 85th edition**, EAGE Annual 2024 invites geoscientists, engineers and major players in these fields to present the latest advances in geoscience, on a European and global scale. This event will promote exchanges, the sharing of ideas and arguments, as well as the building of networks essential to meet future challenges.

Many discussions will focus on themes such as decarbonization, geothermal energy, CCUS, hydrogen and digital, areas in which IFPEN has developed innovative solutions as part of its mission for a decarbonized and sustainable world. Visitors will be able to discover these solutions by meeting

IFPEN teams at the IFPEN/Beicip stand (**number 6575**).

Learn more about IFPEN's solutions:

The graphic features a dark blue background with a network of white lines and dots, and a map of Europe. At the top center is the EAGE Annual 2024 logo, which includes the text '2024 EAGE ANNUAL 85TH CONFERENCE & EXHIBITION OSLO | NORWAY'. Below the logo, the text 'Join us @ EAGE ANNUAL 2024' is displayed in large white letters. A blue semi-transparent box contains the text: 'We look forward to meeting you at EAGE ANNUAL 2024! Our team will be pleased to welcome you on the booth, and share with you the latest news on our solutions and technologies. See you there!'. Below this box, the dates '10-13 June 2024 | Oslo, Norway' are shown. At the bottom left is the BeicipFranlab logo, and at the bottom right is the IFP Energies nouvelles logo. A small blue box at the bottom left contains a location pin icon and the text 'Booth #6575'.
