- Responsible oil and gas

03 - 06 June 2019

From 3 to 6 June will be held, in London, the EAGE Annual Convention & Exhibition 2019.

This event is the largest and most comprehensive multi-disciplinary geoscience event in the world. More than 7,000 people from almost 100 different countries visit this event annually.

IFPEN will presents its offer in [basin modeling](#) (the JIP Dors & CarDio or the web service **GeoAnalog**), in [reservoir characterization](#) (workflow **SmartAnalog**, **Cats**) and in [CO₂ capture and storage](#).

Come visit us on **booth 364**.

[To find the program](#) of the IFP Group posters & presentations.
